

**Grades 1-12**

Join other teams of girls to build a Disney-themed structure (example: castle from "Beauty & the Beast," Radiator Springs from "Cars," ship from "Pirates of the Caribbean") using cookie boxes around center stage at Hamilton Place Mall.

The red carpet will be rolled out as the 2007 Top Hats are introduced along with Ernie Keebler. Sample the two new cookies this year and enjoy other fun activities that will help make you a star performer.

**No fee to watch. Open to the public. See page 44.
